Terms of Contract: Puppies must be under 4 months of age at activation date and healthy at the time of implementation. Items included in the package (including nail trims and discounted services) are only available for the pet listed on the contract. This contract cannot be transferred to another pet at any time. If cancellation is desired at any point in time, the costs of services provided to that point will be totaled at regular price and deducted from payments made. If costs of services provided are more than payment received, the client will be responsible for the difference. Contract is valid for one year from activation date. Routine vaccinations include Bordetella, Rabies, and Distemper/Parvo combinations. Examinations performed during emergency hours are not included in plan.

Payment Options

- Payment at the time of activation, and receive 5% off package price. Clough Pike Veterinary Clinic accepts cash, check, and most credit cards (Discover, Visa, Mastercard).
- Three equal, monthly payments of \$115.00. Payment plans are arranged using your credit card.

By signing below I acknowledge that I have reviewed the contract above and agree to its terms.
